

Denver Hosts International Tarot Convention

Denver Tarot Meetup and Tarosophy Tarot Association (Keswick, the Lake District, England) are teaming up to bring a tarot convention to Denver this year.

TarotCon Denver will be a full weekend of workshops with great presenters, drawing on talent and expertise from the international, national, regional, and local tarot community.

Your Type of People

The Denver Tarot Meetup is the second largest Tarot Meetup in the world. Denver has a very active tarot and metaphysical community! Tarot people are health conscious, holistically minded, heart-centered and spiritually evolving. They support sustainability and are open-minded and creative.

Reach out to Them

There is one thing you will see in the hand of every participant at the convention (besides a tarot deck!): the TarotCon Denver Souvenir Program.

TarotCon Denver Souvenir Program advertising is an inexpensive way to connect with conscious, holistically-minded, spiritual seekers.

format such as .jpg or .png to joy@denvertarotconvention.com. Checks payable to Joy Vernon Tarot & Reiki, Inc.

Participants will rely on the program to find information about and choose the speakers they will attend each day. They will depend on it to plan their breaks and lunch. The TarotCon Denver Souvenir Program is a crucial guide that people will refer to repeatedly throughout the day—and take home afterwards as a keepsake!

Show Them What Denver Has to Offer!

With a two-hour lunch break each day and a half-hour break in between workshops, TarotCon Denver is designed to give people plenty of time to spend socializing with their new friends and exploring the city. Why not give them an incentive to visit you?
